Regular savings amount

I want to contribute regular savings of \$ _____ each month/fortnight/week in respect of the Member. (If you want to stop your contributions enter "nil").

I want the regular contributions to be paid by:

Direct debit. If we already hold a direct debit authority and you are just changing the level, you do not need to complete a new one, otherwise also complete a direct debit form.

Payroll deduction. Please organise the contributions to be deducted from my pay through my employer's arrangements with SuperLife. This only applies for employees who are SuperLife members and employed by an employer that uses SuperLife for its superannuation arrangements.

Other. I will organise to make a direct credit payment.

When it receives this form, **SuperLife** will arrange to change your savings contributions as soon as practicable. It will normally be from the next due date.
