Identifying and managing risks

"There are risks and costs to a program of action. But they are far less than the long-range risks and costs of comfortable inaction."

John F Kennedy (1917-1963) 35th president of the USA

Learn how easy it is to manage risks and improve your chances for a better outcome.

An opportunity not to be missed!

RSVP today to secure your place.

Join us for this seminar with investment consultant and actuary Michael Chamberlain. Michael will share his views on the major risks people face and the way to manage them to achieve better outcomes. Michael will also provide an update on the state of the investment markets and their outlook over the next 12 months.

The Dunedin seminar is part of the 2012 series of educational seminars held across the country. Check out www.SuperLife.co.nz/seminars.html for details of the seminars.

Seats are limited!
