Changes relating to the Scheme

On 29 June 2018, Smartshares changed the target investment mixes for the diversified funds (at that time called the 'managed funds'), Ethica and SuperLife Age Steps, together with changing the market indices for some of the funds.

On 8 February 2019, Smartshares fixed the fund charges for the Scheme. Previously, where a fund invested in an external fund, the fund charges disclosed to investors included an estimate of the external fund's costs (these costs weren't fixed). If the costs actually charged by the external fund were higher than Smartshares' estimate, the amount charged to investors would have been higher than the amount set out in the product disclosure statement.

82

On 29 March 2019, the following changes were made:

- · the 'managed funds' were renamed the 'diversified funds';
- SuperLife30, SuperLife60, SuperLife80 and SuperLife100 were renamed SuperLife Conservative, SuperLife Balanced, SuperLife Growth and SuperLife High Growth;
- the NZ Bonds Fund and NZ Bond ETF Fund were combined, as were the Overseas Bonds Fund and the Global Bond ETF Fund, and the Emerging Markets Fund and Emerging Markets ETF Fund;
- the 'ETF funds' category was deleted, with the funds moving into the 'sector funds' category;
- 'ETF' was deleted from the names of the funds that were previously named 'ETF Fund'; and
- the 'Property Fund' was renamed the 'Global Property Fund'.
