

KA URUORA SAVINGS PROGRAMME

Identification and address documents

Under the Anti-Money Laundering and Countering Financing of Terrorism Act, we are required to verify both identity and residential address. We can verify both identity and residential address electronically. If electronic verification is unsuccessful, we will need to get from you certified copies of the identity documents.

To verify both identity and residential address electronically, you must have any of these information:

1. NZ Drivers licence
2. NZ Passport number
3. NZ birth certificate number
4. NZ citizenship number + country of birth
